Thank you for participating in this important impact survey for the Ohio Small Business Development Center (SBDC) Program.

Each year Ohio SBDC works with thousands of Ohio small businesses to start, grow sales, create jobs and export products around the world. This survey is vital in assessing the impact our services having on the small business community.

By demonstrating a strong economic impact, we are able to continue our mission to serve small businesses.

All individual responses will be kept strictly confidential.

For each of the questions below, please enter the economic impact you attribute to support you received from your local SBDC.
