Thank you for participating in this important impact survey for the Ohio Small Business Development Center (SBDC) Program.

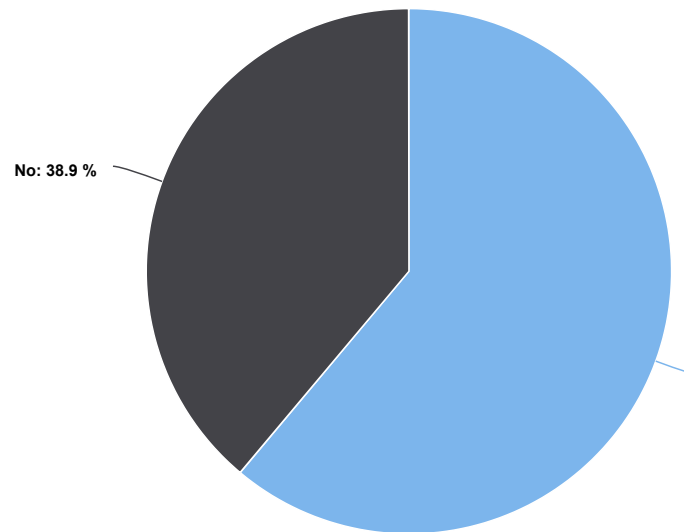

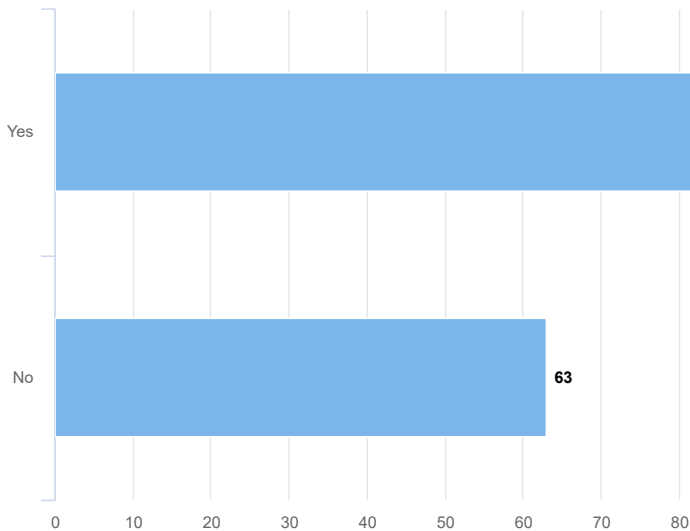

Each year Ohio SBDC works with thousands of Ohio small businesses to start, grow sales, create jobs and export products around the world. This survey is vital in assessing the impact our services having on the small business community.

By demonstrating a strong economic impact, we are able to continue our mission to serve small businesses.

All individual responses will be kept strictly confidential.

For each of the questions below, please enter the economic impact you attribute to support you received from your local SBDC.

BUSINESS START -- Did the SBDC help you with starting your business venture in the past year?

START DATE -- If your business has started operating in the past year, what was the start date? (Feel free to use an estimated date if you are unsure) -Skip if you did not start a business this year.

Estimated start date (m/d/yyyy)

[Responses](#)

JOBS CREATED and RETAINED -- Please list the number of jobs created or retained by your business in the past year. If you are the business owner, you may include yourself in the count.
